CLUB CHAMPIONSHIPS AND RED/GOLD POINT EVENTS

Red and Gold point events, a system card is required for each player.

Pre-dealt hands are used and hand records are made available after the session.

All Club Championships are restricted to financial members of the Club as at the time of the first session of the event.

Club Championship events which are promoted as three session events may be reduced to a two session event by cancelling the third session if the entries fail to meet the minimum entry level requirements.

All evening red and gold point events commence at **7.15 pm**.

Entry to an event entails a commitment to play every session.

Penalties may apply to pairs failing to arrive or failing to give 24 hours' notice to the Tournament Director.

Substitutions must be found by the player concerned and should be notified to the Director at least 24 hours prior to the session.

Penalties may apply to players who play with unapproved substitutes.

PLAYERS' RANKINGS FOR RESTRICTED EVENTS

The player rankings for the applicable Club competitions will be taken from the last quarterly ABF Ranking Report.

ABF player grades are discrete. Therefore any event restricted to a particular grade shall be taken to specifically exclude those above.

For example, *Regional Masters and Below* championship excludes *Regional Master** and all other higher grades.

BRIDGE LESSONS

The Club's principal bridge teacher is **Allan Doig** (9448 8520). Allan conducts lessons for intermediate and advanced players. **Leslie Routledge** (9246 1817) teaches the new beginners until they graduate into Allan's supervised play.

Details of specific programmes are on the website:
