CLUB CHAMPIONSHIPS AND RED/GOLD POINT EVENTS

Red and Gold point events, a system card is required for each player.

All Club Championships are restricted to financial members of the Club as at the time of the first session of the event.

Club Championship events which are promoted as three session events may be reduced to a two sessions event by cancelling the third session if the entries fail to meet the minimum entry level requirements. Preferred entry to all Undercroft Bridge Club Red Point Events is via the UBC website Events Section or MyABF website. Provision has been made if this not possible, please refer to the Director or the Convenor.

Entry to an event entails a commitment to play every session.

Substitutes must be found by the player concerned and should be notified to the Director at least 24 hours prior to the session.

The substitute should be from one rank above or lessor ranking.

PLAYERS' RANKINGS FOR RESTRICTED EVENTS

The player rankings for the applicable Club competitions will be taken from the last quarterly ABF Ranking Report.

ABF player grades are discrete. Therefore, any event restricted to a particular grade shall be taken to specifically exclude those above.

For example, *Regional Masters and Below* championship excludes Regional Masters* and all other higher grades.

CLUB RECORDER

The Club has a panel of four Recorders. The role of a Recorder is to hear, and deal with as they see fit, complaints by players relating to behavior and decorum that do not fall strictly within the province of the Director. The Recorders are persons of high standing in the Club. Members who would like to clarify appropriate behavior or clear up an incident that concerns them, can approach one of the Recorders in person or by phone.

Terms of Reference for the Recorder are available on the Documentation page of the Club's web site.
